Date of birth: 06/01/2000 | **Nationality:** Romanian | **Phone number:**

(+40) 758914900 (Mobile) | **Email address:** adivan0601@gmail.com |

Address: Baia Mare, Romania (Home)

● ABOUT ME

My name is Adrian Ivan, I am 23 years old and I graduated from the Faculty of Informatics and Economics. During my studies, I acquired solid knowledge in the fields of Frontend and Design. Every day I like to learn new things and this fields are the best for that. In addition, through Frontend, the code I wrote can be very useful for other people. I consider that I am sociable, punctual, a good organizer, quick in different tasks and I like working in a team.

PROJECTS

07/2022 – CURRENT

Personal site My personal portfolio so far

Link <https://adivan06.github.io/portfolio/>

01/2023 – 02/2023

Delivery company This website is presenting a local delivery company, including their list of prices, why to choose them and how to contact them for a delivery.

Link <https://adivan06.github.io/Mediacurier/>

07/2022 – 09/2022

Only library Through this web page, I tried to use all the knowledge from the tutorials I went through. The page contains HTML and CSS

Link <https://adivan06.github.io/library/>

01/2022 – 02/2022

Transport app/site The site contains an application that calculates the profitability of the transport according to the variables you enter in a form. To create this application I used: HTML and CSS - for the appearance of the site, JavaScript - for functionality, MySQL - data storage in a database

TRAININGS

CodeAcademy tutorials

I went through some tutorials on the CodeAcademy platform because I wanted to deepen my knowledge of HTML, CSS, JavaScript

Frontend Simplified
